**REP. VRUWINK BILL PASSES ASSEMBLY...FINALLY!**

A bill, whose original language was authored and introduced by Rep. Amy Sue Vruwink (D-Milladore), passed the State Assembly today. Assembly Bill 670 relating to the registration of antique snowmobiles was re-drafted this session from 2005 Assembly Bill 1138, 2007 Assembly Bill 660 and 2009 Assembly Bill 101, all authored by Rep. Vruwink. Rep. Vruwink joined her colleagues in passing Assembly Bill 670 on a voice vote.

“Assembly Bill 670 is proof that even simple ideas can have a long road in the Legislature,” stated Vruwink. “I am thankful that the work that I did on this legislation has paid off: the bill’s current author was not even a co-sponsor in previous sessions.”
